				16C. DATE SIGNED	

**A. The following changes are hereby made to the Offeror Submission Package:**

1. Page O-4, Paragraph 1, **Services Requirement**, the following contractor's note is hereby incorporated:

NOTE: For planning purposes only; convoys are currently making three turns per month.

2. Page O-7, Paragraphs 2(e)(3) and (5)(d), **Convoy Requirements**, are deleted and replaced as follows:

(3) Contractor will be responsible for recovery of tractors and tankers. Contractors are responsible for the safeguarding of any and all products (situation depending on the military escorts), and reporting any loss of product to a representative of the Management Contractor or the U.S. Government upon submission of delivery ticket.

(5)(d) Pre-checking their convoys for proper documentation, passports, equipment serviceability, trucks are topped of with ground fuel, unloading documents, and operator's license. The Management Contractor or the U.S. Government will provide a pre-check list for convoy commanders.

3. Page O-7, Paragraph d (1) (c), **Staging Requirements**, is hereby deleted in its entirety.

4. Page O-8, Paragraph (g)(3), **Additional Documentation Requirements**, is deleted and replaced as follows:

(3) Loss of Product: Any loss of product will be reported to a representative of the Management Contractor or the U.S. Government upon submission of delivery ticket and followed up with a written report within 24 hours. Statement will be provided to the Management Contractor by any and all involved within 24 hours upon the convoys return.

5. Page O-9, the following correction is made:

**DELETE:**

NOTE: Please provide an offer price for the basic requirement. The option prices will be escalated from the basic price so no separate option price is needed. If the Government decides to exercise the option periods, the extended contract would continue to escalate the basic prices. See EVALUATION OF OPTIONS on Page 23 of the solicitation package.

**REPLACE WITH:**

NOTE: Please provide an offer price for the basic requirement and each option. The Government will evaluate the option prices in accordance with EVALUATION OF OPTIONS provision in the solicitation package.

6. Page O-4, is deleted and replaced by the amended version of the OFFEROR SCHEDULE as follows:

**BASIC DELIVERY PERIOD: April 1, 2004 through June 30, 2004**

**OFFER SCHEDULE FOR TRANSPORTATION SERVICES**

**B. The following changes are hereby made to the Solicitation Package:**

1. Page 10, Paragraph 2, **REQUIREMENTS FOR OFFERS VIA TRUCK, FOB DESTINATION** , is deleted and replaced as follows:

**2. PERFORMANCE BASED SERVICE CONTRACTING STATEMENT OF WORK FOR TANK TRUCK TRANSPORTATION SERVICES****a. General Notes-**

- (1) For product transported from the Kuwaiti border, tank truck drivers shall be Kuwaiti or sponsored by a local Kuwaiti approved company.
- (2) Contractor shall provide licensed and responsible drivers per truck and all necessary services and supplies, to include necessary equipment and life support for drivers in the execution of this scope of work. Contractor is responsible for arrangements for necessary visas, fees and passports for its drivers. Contractor is responsible for any and all convoy operation, communications, consolidated staging area, convoy line up, and ensuring all contractor vehicles meet applicable standards.
- (3) Contractor is responsible for setting up and operating staging area.
- (4) Contractor shall provide services 24 hours per day and 7 days a week including weekends and holidays.
- (5) Contractor shall perform in accordance with the best industry standards as well as all local regulatory bodies, laws, codes, ordinances, and regulations.

**b. Security Requirements-**

- (1) Contractor drivers shall take written or verbal direction from Convoy Commander and DESC's Management Contractor or authorized U.S. Military Representative. Contractor drivers shall follow the security guidance from the authorized U.S. Military Representative; Coalition Force provided escort or DESC Management Contractor.
- (2) Contractor must provide 7 days a week 24 hours a day security staff to patrol and control all entries of the staging area. Patrol shall provide a safe working area for all personnel, the equipment inside the staging area, and the product.
- (3) All security violations must be reported to the authorized U.S. Military Representative within one hour and followed up with a written report within 24 hours.
- (4) A security plan must be submitted to DESC Contracting Office for approval.
- (5) The U.S. Military, Coalition forces or DESC Management Contractor will provide security escort to convoys.

**c. Safety Requirements-**

- (1) Tank Trucks will comply with local commercial safety regulations.
- (2) All tankers will be parked by product type, empty or full of fuel.
- (3) The following markings shall be present on the tanker (left side, right side and back) in English and Arabic;
  - (a) No smoking within 50 feet
  - (b) Tankers will not be moved from one type of fuel to another
  - (c) Danger
- (4) Vehicles shall comply with all mandatory safety requirements of country of operation and loading/offloading facilities as well as comply with safety requirements and regulation of loading and offloading points.
- (5) Full tankers in need of repairs are not to be left in the contractor's maintenance yard.

**d. Staging Requirements-**

- (1) Contractor shall provide the following additional requirements for fuel loading:
  - (a) All hoses, manifolds, etc., required for loading fuel.
  - (b) Engineering and technical support services.
- (2) Contractor shall provide a portable unit for office space at the staging area. This unit must be in good condition with window, air condition and heat, electricity and must be available 24 hours a day, 7 days a week including weekends and holidays. An authorized U.S. Military Representative reserves the right to inspect the unit. Staging area must have light around the motor pool area (inside for safety and outside for security).

**e. Convoy Requirements:**

- (1) No unauthorized stops will be made with any tanker, unless authorized by the DESC Management Contractor, authorized U.S. Military Representative, or escort elements assigned by the U.S. Military. (Vehicle breakdowns are an exception.)
- (2) Contractor shall provide minimum of one bobtail with each convoy. Requirement is subject to change as per direction of the U.S. Military escorts or the DESC Management Contractor.
- (3) Contractor will be responsible for recovery of tractors and tankers. Contractors are responsible for the safeguarding of any and all products (situation dependent on the military escorts), and reporting any loss of product to a representative of the DESC Management Contractor or the authorized U.S. Military Representative upon submission of delivery ticket.
- (4) Contractor shall provide a supervisory vehicle to accompany the convoy.
- (5) Contractor shall provide an English/Arabic translator, capable of reading, writing and speaking both languages, to accompany each convoy. This individual will serve as the convoy commander and is responsible for the following:
  - (a) The accountability of equipment, personnel, product to be transported, and all forms and reports.
  - (b) Lining up their convoys in the staging area operated by the contractor.
  - (c) Ensuring that all of their personnel have the proper amount of life support for their mission.
  - (d) Pre-checking their convoys for proper documentation, passports, equipment serviceability, unloading documents, and operator's license, and ensuring that trucks are topped off with fuel. The DESC Management Contractor or the authorized U.S. Military Representative will provide a pre-check list for convoy commanders.
  - (e) Ensuring the safeguarding of all documentation, tracking of download documents and consolidation of completed documents to be provided to the DESC Management Contractor upon completion of the mission. The DESC Management Contractor will provide a blank Convoy Commander's log. Convoy Commanders are responsible for completing this form.
  - (f) Reporting time of departure to both the Contractor's operation and the DESC Management Contractor (Reporting subject to change).

- (g) Ensuring that each convoy checks in at all U.S. Military/DESC Management Contractor areas when they arrive and depart, as directed by the DESC Management Contractor or the authorized U.S. Military Representative.
- (h) Ensuring that each supervisory vehicle is equipped with an operating means of communication in order to maintain contact with the DESC Management Contractor while enroute.
- (6) The DESC Management Contractor or the authorized U.S. Military Representative reserves the right to remove any convoy commander not following directions. The contractor shall provide a back-up convoy commander at times of convoy departure.
- (7) Convoys will be lined up as per the DESC Management Contractor's instructions. Convoy commander and the DESC Management Contractor will check each vehicle and driver. Convoy Commander and the DESC Management Contractor will complete all documentation for onward movement.
- (8) Upon completion of all documentation, the DESC Management Contractor and Convoy Commander will conduct a briefing and provide projected timelines for the journey.

**f. Equipment Requirements-**

- (1) DESC Management Contractor or any authorized U.S. Military Representative has the right to refuse any equipment if deemed unsafe or not road worthy. Contractor will replace this vehicle, if identified in a convoy line up, to include the convoy commander's vehicle.
- (2) Maintenance for vehicles shall include repair and replacement of mechanically defective equipment or accident damaged equipment. Contractor shall provide replacement of defective truck and trailer parts.
- (3) Contractor shall provide trucks that are fully operable, and supply qualified maintenance personnel (tractor, trailer, and fuel tanker) to perform maintenance 7 days a week 24 hours a day. All repairs will be completed within 24 hours. Tankers that need maintenance or are down for ANY reason shall be replaced at no extra cost to the U.S. Military.
- (4) Contractor shall be responsible for all parts maintenance. Staging yard will have common parts stocked.
- (5) Contractor must provide one authorized portable-truck mounted transfer pump for the type of product being transferred. Unit will be able to transfer at rate of 1000 liters per minute (or more). Transfer pump(s) must be fitted with the proper fitting to accommodate the tankers. Portable fire fighting equipment will be available during the transfer. Personnel performing the transfer will wear protective clothing (protective eyewear, coveralls, gloves) to perform the transfer.
- (6) Contractor shall provide Level 3A protective vest and Level 3 protective helmet to all its employees working in Iraq. The contractor must gain written approval from the DESC Contracting Officer prior to the purchase of the equipment.

**g. Additional Documentation Requirements-**

- (1) It is the driver's responsibility to perform operational checks before, during and after the trip. A driver's check sheet (form) will be used, a copy will be provided to the DESC Management Contractor upon completion of all missions and or repair. Forms will be developed with the DESC Management Contractor and the authorized U.S. Military Representative in both Arabic and English.
- (2) Contractor shall maintain the driver files at the staging area. These files shall include complete information about the driver, such as copies of passport, Visa, driver's license, training documents and other documentation requested by the DESC Management Contractor.
- (3) Loss of Product: Any loss of product will be reported to a representative of the DESC Management Contractor or the authorized U.S. Military Representative upon submission of delivery ticket and followed up with a written report within 24 hours. Statement will be provided to the DESC Management Contractor within 24 hours upon the convoy's return.
- (4) Transfers of product from tanker to tanker must be documented; copies of the transfer are to forward to authorized U.S. Military personnel. These forms must contain tanker numbers, date, quantity transferred in liters, type of product, old delivery note number and new delivery note number, statement on why the product is being transferred.
- (5) The U.S. Military shall only provide fuel for contractor's vehicles in cases of emergency.
- (6) Contractor shall provide delivery receipts for all products delivered. Receipts shall be signed by the DESC Management Contractor or authorized U.S. Military Representative.
- (7) Contractor must maintain control of all documents; contractor will process all bills in accordance with the procedures set forth in the Invoicing and Payment Clause located on Page 14 of the Commercial Package.

2. Page 14, Section 6, **DELIVERY AND ORDERING PERIODS**, paragraph (b) is hereby amend as follows:

**Deliveries for Gasoline and Diesel:**

- (1) For the basic period: Ordering Period Begins: Date of Award and Ends: June 30, 2004.
- (2) For the basic period: Delivery Period Begins: April 1, 2004 and Ends: June 30, 2004.
- (3) For option period one: Ordering Period Begins: Date option is exercised and Ends: September 30, 2004.
- (4) For option period one: Delivery Period Begins: July 1, 2004 and Ends: September 30, 2004.
- (5) For option period two: Ordering Period Begins: Date option is exercised and Ends: December 31, 2004.
- (6) For option period two: Delivery Period Begins: October 1, 2004 and Ends: December 31, 2004.
- (7) For option period three: Ordering Period Begins: Date option is exercised and Ends: March 31, 2005.
- (8) For option period three: Delivery Period Begins: January 1, 2005 and Ends: March 31, 2005.

**Deliveries for Kerosene:**

- (1) For the basic period: Ordering Period Begins: Date of Award and Ends: December 31, 2004.
- (2) For the basic period: Delivery Period Begins: October 1, 2004 and Ends: December 31, 2004.
- (3) For option period one: Ordering Period Begins: January 1, 2005 and Ends: March 31, 2005.

3. Page 23, Section 30, **ORDERING**, paragraph (c) is deleted and replace as follows:

(c) If mailed, a delivery order or task order is considered "issued" when the Government deposits the order in the mail. Orders may be issued orally, by facsimile, or by electronic commerce methods.

4. Amendment 0002, paragraph B, **SUPPLIES TO BE FURNISHED**, is deleted in its entirety and replaced as follows:
